## Changing lanes

Donald Lind stands in front of a street sign along Avenue of the Cities in Moline on Wednesday. Mr. Lind is trying to get the avenue renamed after former U.S. Rep. Lane Evans. He's passing petitions around to get support and would like to see it renamed through all three cities.

A friend and fan of former U.S. Rep. Lane Evans wants to rename a street — preferably Avenue of the Cities — after the legislator who represented the Quad-Cities in Congress for 24 years.

Donald Lind is circulating petitions asking for a local street to be named, or renamed, for Mr. Evans. He approached the Moline City Council on Tuesday with the request, and plans to approach Rock Island, East Moline and other cities, too.

His ultimate goal is to get the 6.4-mile stretch of Avenue of the Cities in Moline, East Moline and Silvis renamed "Lane Evans Avenue."

"He traveled from the Quad-Cities to Washington, D.C., for 24 years. That is a lot of miles he traveled for our

community," Mr. Lind said Wednesday, adding Mr. Lane's efforts retained Rock Island Arsenal jobs, helped veterans and moved the Quad-Cities forward in many ways.

"For the years of service he has given to the Quad-Cities, he should have a long road named after him," Mr. Lind said. "Avenue of the Cities is a long stretch, but he went a lot of miles for us."

If not Avenue of the Cities, another road would be fine, Mr. Lind said, suggesting the streets in front of Rock Island's Alleman High School or Augustana College — both places from which Mr. Evans graduated.

Mr. Evans was first elected to the 17th Congressional District seat on Nov. 3, 1982. The Democrat served 12 terms, announcing in 2006 he would not seek re-election because he needed to focus on his struggle

with Parkinson's disease.

Mr. Lind wants as many petition signatures as possible, and he has sent or faxed a copy of the petition cover page to President Barack Obama, the U.S. Senate and House of Representatives, Illinois Gov. Pat Quinn, and the Illinois House and Senate, he said.

Mr. Lind said he approached Moline first because a medical campus is under construction on 41st Street, and new roads will be built, offering an opportunity to name one after Mr. Evans.

Mayor Don Welvaert said on Wednesday he will do some research and talk to aldermen to see how they feel about Mr. Lind's request.

Mayor Welvaert said that in the past, the city has avoided naming streets after a person or company. "That does not necessarily mean we have a set policy on it or it is something

we don't do," he said.

Mayor Welvaert said it is not his intention to rename Avenue of the Cities because that name was adopted by Moline, East Moline and Silvis to tie the cities together.

"Lane is a great guy and was a great congressman. There could be a better fitting thing to name after him, to give him tribute," Mayor Welvaert said, adding parks and other facilities could be considered.

## Lane Evans

When Lane Evans was growing up and as a Congressman he traveled what was called 23rd Avenue, now changed to Avenue of the Cities, I understand the meaning behind it.

It joins three Cities together, Moline East Moline and Silvis Illinois.

Avenue of the Cities goes for miles and that is why we should change it or dedicate it to Lane Evans for the miles he traveled from the Quad Cities to Washington DC to represent the people.

Lane Evans was a Congressman for 24 years, unbeaten record and one to be proud of.

The day Lane Evans took office as Congressman the Quad Cities changed and he worked for and with the people of his Community.

When jobs were being cut nationwide one major employer-the Rock Island Arsenal-Lane helped to keep their jobs on the Island.

Lane Evans never once forgot where he came from and he never changed the way he felt about his community; Lane Evans loved his community, and helping people.

My ultimate goal is to get 6.4-mile stretch of Avenue of the Cities Changed or dedicated to Lane Evans. When this passes I will not take credit for it...yes I came up with the idea...but you...the community would be the ones to make it happen-you are the ones that deserve the recognition. Think of me as a coach and you as my team,together we will pull and fight for this change; together we will make this change come true.

Sincerely,

Donald E Lind

Congressman Lane Evan's: Change Ave of cities to Lane Evan's  
Avenue

Petition by

Donald Lind

Congressman Lane Evan's was our Congressman for 24 year's-an unbeaten record and one to be proud of.Lane Evan's a well known individual one who has earned our trust listened,understood people.He went out of his way to work with people from all types of background and did whatever it took to help people in need-like the Rock Island Arsenal,one of our major employers within District 17.During Lane's time in office,his support of the Arsenal helped keep it open while cuts were being made nationwide. Let's recognize Lane by naming Avenue of the Cities after him.We have Black Hawk road and John Deere road Kennedy Drive Butterworth,all named after leader's,why not Lane Evan's Just like he traveled to Washington DC for us,mile's and mile's and traveled and served as a U.S Marine and our Congressman for 24 years.he has earned and deserves the right to have a long traveled road named after him-one that goes for miles, Please help me so we can change Avenue of the Cities to Lane Evan's Avenue.Thank you so much

The U.S. House of Representatives  
The Governor of IL

The IL State House  
community of District 17th

I started a petition to change Avenue of the Cities to Lane Evans Avenue. I collected 105 signatures on line (change.org), 131 by canvassing in person, and 63 by attending Cinco De Mayo fundraiser at the American Legion in Moline.

While at the Cinco De Mayo fundraiser I had the honor of meeting Michael Jacobs, Doug House, Porter McNeil, and Bob Cervantes. As I canvassed with people attending the event, it was suggested that it might be more appropriate to name 1st Avenue in Silvis after Lane Evans since it intersects with Hero Street.

Would you be able to help me dedicate 1st Avenue or Avenue of the Cities to Lane Evans?

Why do I want to do it? I graduated with Lane Evans from High School. In his 24 years as a congressman he went miles and miles for the people. He would go into people's home and have coffee with them, stop by people's houses if they were outside...he helped people to keep their jobs at the Arsenal. When congress was getting raises he would give his raise back to the community. Everyone here and far away (I have signatures in Florida, North Caroline, etc.) remember Lane Evans.

Amanda Payne		East Moline	IL	61244	United States	2013-03-23 I grew up in a state where Lane Evans was a leader. It was a good time. I will always remember his smile and the way I was proud to be here because of him. he deserves recognition for his leadership.

Vickie J Glasgow		Moline	IL	61265	United States	2013-03-30 Mr Evan's has done a great deal for Illinois and this would be a great way to honor him for all he has done for the people of Illinois. We can and should do this for this man who has done so much and received so little in return. I am in infavor of this!!
Thomas Hughes		Milan	IL	61264	United States	2013-03-30 "Lane Evans has worked hard for the Quad Cities, and more, for as long as I can remember. Love to see Lane in the E. Moline parades!! Also ""Avenue of the Cities"" is a horrendously stupid name."
Shelley Rubalcava		East Moline	IL	61244	United States	2013-03-30 I agree that Lane Evans deserves a road with his name.
David Stover		Port St. Lucie	FL	34983	United States	2013-04-01 Because it's important to a friend of mine, and that the former Congressman deserves recognition for his efforts as a Marine and as a representative.
Cortney Gray		East Moline	IL	61244	United States	2013-04-03 Lane lives at the nursing home that I work and I hear nothing but wonderful things about him. I lived in Iowa when he was in the office so I didn't know much but he was truly amazing.

Donna James		Coal Valley	IL	61240	United States	2013-04-17 I remember when congress would give their selfs raises & Lane would not take his,he didn't start to take them until he got sick.he was the best congressman this district has ever had,he cared for the little guy,he was one guy that couldn't be bought.
Lori Warner		Rock Island	IL	61201	United States	2013-04-18 He was a great man. He should be recognized for his years of service.
