2. Revised Investment Policy. (Kathy Carr, Finance Director)

Explanation: A written investment policy helps protect the assets of the City of Moline as well as limit the potential liability of both the investment staff and the governing body by assigning responsibility, identifying objectives, and addressing issues inherent in the investment function. The City adopted its original investment policy in 1984 and its current policy in 1997. In addition, S.B. 1555 signed into law during 1998 as P.A. 90-0688 amended the Public Funds Investment Act by requiring every local unit of government in Illinois to adopt a written policy governing its investment activity by January 1, 2000. The 1997 policy was reviewed and updated as needed. The current and proposed policies are attached.

A Special Ordinance declaring the City-owned property at 1224 18th Street Moline surplus and authorizing the Mayor and City Clerk to execute an Agreement for Sale of Real Estate and do all things necessary to convey the property to Moline Community Development Corporation, an Illinois Not-For-Profit Corporation.** (Amy Keys, Deputy City Attorney)

Explanation: As a result of City Council goal setting, the Moline Community Development Corporation (MCDC) was created in 2008. Part of MCDC's mission is to provide quality housing for low to moderate income families and to foster neighborhood improvement. The City recently took possession of an abandoned, single-family home at 1224 18th Street by a Judicial Deed in an abandonment proceeding; said property being blighted and a nuisance for several years. To provide momentum to MCDC's efforts, MCDC is interested in rehabilitating the single-family home on the lot and selling it to a qualified family. MCDC has offered to purchase the 1224 18th Street property for \$1.00. The rehabilitation and sale of the single-family home at this location will restore the blighted property and increase the property tax base in the future. Additional documentation attached.
