Our Mission

The coaches and staff at the Young Hope Basketball Academy are committed to providing an environment of personal and physical growth through fundamental skill training, team collaboration, and character development. We strive to foster an environment of learning, discipline, and enthusiasm for the game. Participants will leave as leaders with hearts for giving on and off the court.

We need you!

Through the support of many sponsors, family and friends, we are excited to launch our first annual basketball academy for 120 campers (grades 2-8) during the week of July 28-August 4, 2014. The academy will run 2 sessions daily (9am-noon & 1pm-4pm) at the PepsiCo Center in Rock Island, IL. All proceeds will go to families in heart crisis through EKHA which provides care and financial grants all over the country—including Boston Children's!

We look forward to working with volunteers from across the country to touch the lives of many youth during this amazing week. If you are interested in this opportunity, please contact Tanya Marx at EKHA today!

*Thanks,
Jamie and Jaynene Young
Assistant Coach, Boston Celtics*
