Mayor Scott Raes called the meeting to order at 10:00 a.m. Those present provided an introduction and Annaka Whiting, Planning & Development Compliance Analyst, following by providing a summary of the 2014 Annual TIF Reports.

Annaka Whiting indicated that she completed the reports and they were reviewed by Maureen Riggs, City Attorney. A spreadsheet and booklet summarizing each TIF was provided to those present. Ms. Whiting summarized each TIF District by providing the name, date established, expiration date, base EAV, current EAV, prior year EAV increase/decrease, beginning balance, deposits, expenditures, ending balance and a combined beginning balance, fund deposits, expenditures, and ending balance. Mr. Whiting also discussed specific information related to each TIF including bond proceeds, large

expenditures and changes in EAVs due to decrease in property values. Kathy Carr also noted that the citywide decrease in EAV's is expected to begin to increase in 2017, pursuant to a conversation with the Rock Island County Assessor's office.

Ray Forsythe noted that the booklets provided to all persons present contained summaries of each TIF district in addition to information relating to the 2014 Sales Tax Reports.

Richard Brunk inquired about the amount of the bond obligation in TIF #7. Ms. Whiting noted that the bond obligation with interest is \$11,060,902.00. Ms. Carr also noted that the 3 million dollar balance in TIF #7 has been allocated for future expenses.

David McDermott asked for an update on TIF #4 and the financial situation of Autumn Trails. Mr. Forsythe indicated the City is working with the bank to try to acquire the property, but have been unable to do so because the bank cannot locate one of the owners. Lew Steinbrecher stated that there are five vacant lots still within Autumn Trails and it is the City's desire to develop additional condos on those lots, however, the City would need to wait until the foreclosure is finalized before being able to proceed.

Mr. McDermott then asked whether there was any indication from Genesis about additional development within TIF #10, stating he was under the impression that the TIF had been created due to additional developments. Mr. Forsythe stated that Genesis anticipates developing an additional building once their current building is fully occupied. Mr. Forsythe noted that the current Genesis building is about 90% occupied.

Mr. McDermott inquired what the overall major expenditures are for all of the TIF districts. Mr. Forsythe stated that bonds and rebates accounted for most expenditures.

Kim Lazenby asked whether there were any additional tenants in the KONE building. Mr. Forsythe stated that they are currently the only tenant but do have commercial and restaurant space available, however, Financial District Properties has been unsuccessful in attracting businesses to their location. Mr. Steinbrecher noted that there is one condo occupied with a permit issued for development of a second condo within the building. Mr. Forsythe further noted there are also future plans to do a floor expansion within the KONE building.

Mr. McDermott asked for an update on The Mills at RiverBend Commons. Mr. Forsythe noted that The Mills is fully occupied with students and interns of Deere, KONE, and Alcoa and Phase II is expected to begin soon for additional market rate apartments.

Mr. Forsythe concluded by highlighting the following:

TIF #1

- A Jimmy Johns Development Agreement will be presented to Council this week
- Developers are beginning to look at second floor of downtown buildings to turn into apartments
- Skinner Block Lofts has 8 out of 12 units occupied and will begin Phase II once the units are fully occupied
- Bad Boyz will expand as a part of Skinner Block Lofts' second phase, which will then be a taco and tequila bar

- The Chase building has been purchased and is considering either extended stay apartments or traditional apartments throughout the building

TIF #7

- A virtual spec building concept is being explored to hopefully get EAV generated within the QC Industrial Park area

TIF #8

- The removal of 250,000 sq.ft. has decreased the Southpark Mall EAV
- The EAV is expected to gradually increase with additional businesses moving to the area
- Southpark Mall anticipates John Deere Road access in 2016

TIF #11

- The City is advancing money to assist with the continued progress of the Multi-Modal Station with the anticipation of repayment once the State of Illinois passes a budget.
- The Westin Element hotel is expected to begin construction upon completion of the Historic Review

TIF #12

- Phase II of The Mills is set to begin for 150 additional market rate apartments

Mayor Raes Adjourned the Meeting at 10:27 am.

INDEPENDENT AUDITORS' COMPLIANCE REPORT

To the Honorable Mayor and
Members of the City Council
City of Moline
Moline, Illinois

We have audited the basic financial statements of the City of Moline, Illinois, as of and for the year ended December 31, 2014, and have issued our report thereon dated June 23, 2015. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing", insofar as it relates to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.
