Mayor Scott Raes called the meeting to order at 2:00 p.m., and those present provided an introduction. Annaka Whiting, Housing Grant Compliance Analyst, followed by providing a summary of the 2015 Annual TIF Reports.

Ms. Whiting indicated that she completed the reports and they were reviewed by Maureen Riggs, City Attorney. A spreadsheet and booklet summarizing each TIF was provided to those present. Ms. Whiting summarized each TIF District by providing the name, date established, expiration date, base EAV, current EAV, prior year EAV increase/decrease, beginning balance, deposits, expenditures, ending

balance and a combined beginning balance, fund deposits, expenditures, and ending balance. Ms. Whiting also discussed specific information related to each TIF including bond proceeds, large expenditures, and changes in EAVs due to decrease in property values, and confirmed upon inquiry that the spreadsheet provided contains the most accurate and current information as of the meeting date.

During the summarizations of the TIF Districts, Ray Forsythe, Planning and Development Director, responded to questions and/or provided additional information regarding same, as follows.

TIF #1 Downtown: This TIF District will be paid off by the time it sunsets in 2021 and no new development agreements are anticipated because of the time remaining in the TIF.

TIF #2 One Moline Place: There are a few single family units remaining to be sold in this development and the current cash flow is sufficient to make payments. It is anticipated that the TIF will end at a zero balance or will be in the black.

TIF #3 Old Moline High School: This TIF does include some adjacent property. The apartment complex for which the TIF was created is usually 100% occupied. Beginning in 2016, the increment paid to the developer Gorman & Company dropped from 95% to 90% pursuant to the development agreement.

TIF #4 Autumn Trails: The City recently entered into a development agreement with Dan Weber, KAS Company, for completion of this project, and the developer has complied with all the requirements of the agreement. Clear title to the property is anticipated within the next 3-4 months, at which time construction may begin. Staff recommends this TIF District conclude at the end of 2017.

TIF #5 KONE Centre: This TIF has an increase in EAV from the prior year. The developer has completed three full floors of this project and one and one-half floors are currently leased. Two condo units on the top floor have been completed with one having been sold and the other on the market. The developer is negotiating for additional tenants for the first and second floors. KONE has increased job positions on site with the addition of 40-60 staff members and has added a training facility on site that will link to increases in area hotel and restaurant business.

TIF #6 Moline Place: The developer for Phase II, "The Point" redevelopment, is Russell Construction. All title work is complete and City staff hopes to close on the property sale as soon as possible. The project will include infrastructure work and public improvements and market-rate senior/assisted living units. The Phase III developer is B.M. Bagby. The property has been sold to Bagby and he has started development on the first of five multi-unit, two-story townhouse buildings. The units will be sold at market rate.

TIF #9 Routes 6 & 150: Development is anticipated within six months to a year. The former Horace Mann School property is located within the TIF District. There has been discussion of a recycling center being built within the TIF, but that has not yet been confirmed. A central building for contractors is anticipated.

TIF #10 Health Park: The master plan for this TIF District contained six buildings. The first building is now on the tax rolls and the TIF District is performing as per the Redevelopment Plan. Once the first building is complete and fully occupied, construction will commence on the next building. Genesis is seeking opportunities to begin the next phase.

TIF #11 Multi-Modal Area: Mr. Forsythe informed the Board of the exciting news just received that IDOT had informed the Federal Railroad Administration that it will proceed with the proposal for passenger rail service between Chicago and Moline and that IDOT is strongly committed to the project. That decision keeps in place the federal funding that was awarded in 2010 for the connection. Mayor Raes added that he and Mr. Steinbrecher would participate in a conference call following the JRB meeting to learn of additional details regarding a timeline, etc. Mr. Forsythe explained that the train station portion of the MMS is already fully funded; the building has been cleared of asbestos and bid packages 1 and 2 are substantially complete. Responses to bid package 3 for the build out of the public improvements will be opened on 06/22/16 and work is expected to begin 07/01/16. The passenger rail from Wyanet to Moline will require new track and designs are approximately 30% complete.

TIF #12 Riverbend Commons: The Mills at Riverbend Commons is fully occupied with students and interns of Deere, KONE and Alcoa, and Phase II is expected to begin soon for additional market rate apartments. The TIF is expected to generate within the next 2-3 years. A new restaurant for the site is anticipated soon and a grocery store and market rate apartments may be future additions.

Mr. Forsythe also informed the Board that a public hearing is scheduled for the 06/22/16 Plan Commission meeting. The hearing is for an urban design and transportation update to the City's Official Comprehensive Plan. With regard to the bridge expansion, Forsythe explained that the City has entered into a memorandum of understanding with IDOT to retain the property from the former Spiegel Moving & Storage building to the new bridge ramp location and that the City has now acquired the Spiegel building following a clean out of the majority of the building by its prior owner. The adjacent Depot building was demolished on today's date.

Mr. Forsythe noted that the booklets provided to all persons present contained summaries of each TIF district in addition to information relating to the 2015 Sales Tax Reports, and he provided a brief overview of the sales tax reports portion, noting that the agreement for Mills Chevrolet will be voided given the company's closing and relocation. The majority of the TIF Districts are operating as expected. Forsythe also commented on the City's marketing efforts as illustrated in the booklet and positive feedback on same. A chart of area city comparables included in the booklet shows that Moline is still the most affordable of the Quad Cities to live in.

Mayor Raes concluded with a comment regarding TIF #1 Downtown, stating that the Rock Island Arsenal changed command last week and a plan to move the guard gates will increase activity at the Moline entrance.

Mayor Raes adjourned the meeting at 2:40 p.m.

INDEPENDENT AUDITORS' COMPLIANCE REPORT

To the Honorable Mayor and
Members of the City Council
City of Moline
Moline, Illinois

We have audited the basic financial statements of the City of Moline, Illinois, as of and for the year ended December 31, 2015, and have issued our report thereon dated May 26, 2016. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing", insofar as it relates to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.

A handwritten signature in black ink that reads "Baker Tilly Virchow Krause, LLP".
