1. Approval of minutes of the Traffic Engineering Committee Meeting of May 7, 2013.

2. Request for a residential handicap parking at 848 15th Street Apt 3.

Explanation: Request for a handicap parking space at the residence of 848 15th Street Apt 3.

3. Request for a residential handicap parking space at 1845 15th Street.

Explanation: Request for a handicap parking space at the residence of 1845 15th Street.

4. Request to move signage located on the light pole next to Dollar General, indicating a left turn is not prohibited, closer to the intersection at 4th Avenue and 55th Street.

Explanation: Request to move signage so that drivers are more aware that a left turn is not prohibited, driving eastbound, at the intersection of 4th Avenue and 55th Street.

5. Request for no parking between 10th and 11th Avenues on east side of 42nd Street.

Explanation: Due to the increased parking on the west side of 42nd Street. Citizen feel as though parking should be prohibited on east side of 42nd Street to prevent vehicles from backing into vehicles parked on the 42nd Street.

6. Request for a street light on 76th Street, between 36th and 37th Avenues.

Explanation: Request to place a street light on 76th Street, between 36th and 37th Avenues, to increase visibility for residents living on 76th Street.

7. Request for a no outlet sign near the intersection of 27th Street and South Shore Drive.

Explanation: Request for a no outlet sign near the intersection of 27th Street and South Shore Drive to inform Semi-Trucks that an outlet is not available.

8. Revisions to Chapter 20 Appendix 9, Streets Closed to Commercial Vehicles.

Explanation: Appendix 9 is outdated and in need of revisions to reflect the current uses and necessary commercial vehicle restrictions of the City's street network.
