2. Request to prohibit parking on the south side of 26th Avenue between 45th and 46th Street and permit parking on the north side of 26th Avenue between 45th and 46th Street.

Explanation: Citizen stated that it is difficult for residents on 26th Street to pull out of their driveways with cars parked on the south side of the street. 3. Request to change fifteen-minute parking to two-hour parking on 15th Street, east side, in front of 524 15th Street.

Explanation: The business located at 524 15th Street currently has one off-street parking space for their clients. Request to change fifteen-minute parking to two-hour parking on 15th Street, east side, in front of 524 15th Street to better accommodate clients.

4. Request to replace the yield sign with a stop sign on the corner of 46th Street and 21st Avenue.

Explanation: Resident stated that the yield sign has caused issues amongst frequent drivers of this intersection. Resident feels that replacing the yield sign with a stop sign would help prevent an accident from occurring as well as prevent an altercation amongst drivers who use this intersection.

5. Request to make 13th Street a one-way, northbound, between 11th and 12th Avenue.

Explanation: Resident feels that 13th Street, between 12th and 11th Avenues, is not wide enough for cars traveling both north and south bound simultaneously.

Explanation: Resident has requested that the two-way stop at 18th Avenue & 33rd Street be changed to a four-way stop. Resident believes that a four-way stop will prevent speeding and an accident from occurring at this intersection

7. Request for a “no parking from here to corner” sign on 11th Avenue, roughly one car length to the east of the entrance to the parking lot located at 1619 11th Avenue.

Explanation: Resident at 1628 11th Avenue finds it difficult to pull out of driveway when vehicles are parked near entrance of 1619 11th Avenue. Resident believes that this can be prevented if a “no parking from here to corner” sign was installed.
