

Traffic Engineering Committee *Agenda*

1:30 p.m.
Tuesday, September 2, 2014

Agenda Items

1. Approval of minutes of the Traffic Engineering Committee meeting of August 5, 2014.
2. Request to replace fifteen-minute parking with two-hour parking on 15th Street, east side, adjacent to 524 15th Street.
3. Request to make 13th Street a one-way, northbound, between 12th and 11th Avenue.
4. Request to restrict overweight vehicles from driving on brick roads within the City of Moline.
5. Request to place a “no parking from here to corner” sign on 44th Avenue, north side, from 48th Street.
6. Request to place a “no parking from here to corner” sign on 41st Street, east side, at the intersection of 4th Avenue.
7. Request to install traffic signals at 34th Street and 12th Avenue.
8. Request for a “merge ahead” sign on 60th Street, southbound, from John Deere Road.
9. Request to extend the aggregate shoulder along the east side of 48th Street, between 44th and 46th Avenues, and designate this as a parking area.
10. Request for a handicap parking space at 403 43rd Street.
11. Request to place a “no parking from here to corner” sign on the south side of 6th Avenue, 20 feet east of the cross walk at 15th Street.
12. Request to review the “no parking from 6:00am to 5:00pm” signs located on the west side of 15th Street, between 25th and 27th Avenues.
13. Other.

1. Approval of minutes of the Traffic Engineering Committee meeting of August 5, 2014.
-

2. Request to replace fifteen-minute parking with two-hour parking on 15th Street, east side, adjacent to 524 15th Street.

Explanation: This request was tabled from last month's meeting. Committee members wanted additional information from our Parking Services Technician prior to discussing this request. The Child Abuse Council, located at 524 15th Street, stated they currently have one off-street parking stall for their clients. They also stated that the previous tenant, Internet Express, requested 15 minute parking for customers needing quick service. They wish to change the current fifteen-minute parking to two-hour parking to better accommodate clients with appointments that last longer than 15 minutes.

3. Request to make 13th Street a one-way, northbound, between 12th and 11th Avenue.

Explanation: This request was tabled from last month's meeting. Committee members voted to survey residents living nearby prior to discussing request. Originally, this request was brought to Traffic Committee because a resident living nearby doesn't believe that 13th Street is wide enough to allow cars to travel both north and south bound simultaneously.

4. Request to restrict overweight vehicles from driving on brick roads within the City of Moline.

Explanation: Request to install "No Trucks or Buses" signs on all brick roads heavily traveled by overweight vehicles. Resident believes that our brick roads are buckling because of overweight vehicles. Resident has witnessed the brick road flexing at 18th Avenue and 14th Street under the weight of a school bus and believes that a sign will help preserve these roads.

5. Request to place a "no parking from here to corner" sign on 44th Avenue, north side, from 48th Street.

Explanation: Request to place a "no parking from here to corner" sign to prevent line of sight issues on the north side of 44th Avenue for vehicles turning onto 48th Street. There is a similar to the sign posted on the south side of 44th Avenue.

6. Request to place a "no parking from here to corner" sign on 41st Street, east side, at the intersection of 4th Avenue.

Explanation: Cars tend to park on the east side of 41st Street very close to the intersection at 4th Avenue making it difficult for vehicles heading northbound to enter the intersection safely.

7. Request to install traffic signals at 34th Street and 12th Avenue.

Explanation: Due to the amount of traffic using 34th Street and 12th Avenue, resident has requested that the use of traffic signals be considered instead of the current four-way stop.

8. Request for a “merge ahead” sign on 60th Street, southbound, from John Deere Road.

Explanation: Request to inform drivers that 60th Street merges into one lane, south bound, from John Deere Road.

9. Request to extend the aggregate shoulder along the east side of 48th Street, between 44th and 46th Avenues, and designate this as a parking area.

Explanation: Request to extend the aggregate shoulder along the east side of 48th Street, between 44th and 46th Avenues, and designate this as a parking area.

10. Request for a handicap parking space at 403 43rd Street.

Explanation: request for a handicap parking space at 403 43rd Street.

11. Request to place a “no parking from here to corner” sign on the south side of 6th Avenue, 20 feet east of the cross walk at 15th Street.

Explanation: The City Ordinance that prohibits parking within 20 feet of a cross walk and a yellow line painted on the curb have created confusion for customers and parking attendant. This sign will clarify where vehicles can park.

12. Request to review the “no parking from 6:00am to 5:00pm” signs located on the west side of 15th Street, between 25th and 27th Avenues.

Explanation: An Ordinance does not exist for the “no parking from 6:00am to 5:00pm” signs located on 15th Street. Request to review whether these signs should be removed or an Ordinance should be created for them.

13. Other.
