2. Request for a “no parking from here to corner” sign, on 11<sup>th</sup> Avenue, roughly one car length east of the entrance to the parking lot located at 1619 11<sup>th</sup> Avenue.

**Explanation:** Request was originally taken to Traffic Committee in August 2014. Request was denied unanimously by members of the Committee. Resident at 1628 11<sup>th</sup> Avenue has requested to appeal the verdict. Resident finds it difficult to back out of driveway when a car is parked near the entrance of 1619 11<sup>th</sup> Avenue.

---

3. Request for additional signage to prevent vehicles from parking on 3<sup>rd</sup> Street near 4538 3<sup>rd</sup> Street.

**Explanation:** A sign was installed in September to prohibit parking near the entrance of 4538 3<sup>rd</sup> Street due to line of sight issues. Resident has now requested additional signage on 3<sup>rd</sup> Street. Large trucks tend to block one lane of traffic at multiple locations on 3<sup>rd</sup> Street.

---

4. Request to consider the installation of a crosswalk from the entrance of Williams, White & Company (600 River Drive) to the parking lot located across the street, on the south side of River Drive.

**Explanation:** Resident has requested that a crosswalk is installed from the entrance of Williams, White & Company to the parking lot located on the south side of River Drive. Resident believes a crosswalk will allow employees and patrons of Williams, White & Company to safely cross River Drive.

---

5. Request for a residential handicap parking space at 152 5<sup>th</sup> Avenue.

**Explanation:** Resident has requested a handicap parking space at 152 5<sup>th</sup> Avenue.

---

6. Request for a “no parking from here to corner” sign, on the east side of 14<sup>th</sup> Street, to prevent cars from parking too close to the intersection of 19<sup>th</sup> Avenue.

**Explanation:** Resident stated that vehicles park very close to the intersection on the east side of 14<sup>th</sup> street at 19<sup>th</sup> Avenue. Resident stated that this blinds the view when turning onto 19<sup>th</sup> Avenue.

---

7. Request to consider the installation of a crosswalk on River Drive to allow the public to safely cross to the new Western Illinois QC Complex.

**Explanation:** Request to install a crosswalk similar to the crosswalk currently located on River Drive at the WIU-QC campus to allow the public to safely cross to the new section of the WIU-QC Complex.
