3. Request to prohibit parking on the east side of 46th Street between 21st Avenue and 1909 46th Street.

Explanation: Resident has requested that no parking signs are installed to prohibit parking in the s-curve between 21st Avenue and 1909 46th Street. Resident stated that it is difficult to enter and exit their driveway when cars are parked on the east side of 46th Street. Resident also stated that it is dangerous for drivers, traveling at a high rate of speed, to travel the s-curve when vehicles are parked here.

4. Request to prohibit parking on the south side of 14th Avenue, on the wide curve, east of 11th Street A.

Explanation: Resident stated that it is difficult for drivers to turn east bound onto 14th Avenue from 11th Street A when a vehicle is parked on the wide curve located here. Resident also stated that it is especially difficult for bus drivers to make this turn when a vehicle is parked in the curve.

5. Request to prohibit parking on the north side of 35th Avenue/35th Avenue Court, east of 38th Street.

Explanation: Resident stated that a vehicle parks on the north side of 35th Avenue/35th Avenue Court making it difficult for drivers to use the road. The resident feels that the width of the road is not wide enough to allow parking on the north side. In winter months the vehicle parks a few feet away from the edge of the road making it difficult for snow plows to plow. Resident stated that the owner of the vehicle has plenty of room to park in their driveway.
