

Traffic Engineering Committee *Agenda*

1:30 p.m.
Thursday, September 3, 2015

Agenda Items

1. Approval of minutes of the Traffic Engineering Committee meeting of August 4, 2015.
2. Request for a residential handicap parking space at 539 29th Avenue.
3. Request for a residential handicap parking space at 1561 30th Avenue.
4. Request for a 3-way stop at 35th Avenue and 14th Street.
5. Request to appeal the recent installation of the “no parking this side of street” signs near 935 17th Street.
6. Request to install a crosswalk/flashing warning lights at the intersection of River Drive and 41st Street.
7. Request to solve the line-of-sight concern on 13th Avenue, westbound, at 15th Street.
8. Request to remove school zone signage on 16th Street, between the 2400 and 2600 blocks.
9. Request to add a left turn signal, westbound, at the intersection of 38th Avenue and 41st Street.
10. Request to reconfigure traffic patterns at Lincoln-Irving Elementary School.
11. Other

1. Approval of minutes of the Traffic Engineering Committee meeting of August 4, 2015.
-

2. Request for a residential handicap parking space at 539 29th Avenue.

Explanation: Request for a residential handicap parking space at 539 29th Avenue.

3. Request for a residential handicap parking space at 1561 30th Avenue.

Explanation: Request for a residential handicap parking space at 1561 30th Avenue.

4. Request for a 3-way stop at 35th Avenue and 14th Street.

Explanation: Resident called to report a line-of-sight issue at 35th Avenue and 14th Street. It is difficult for drivers heading southbound on 14th Street to see vehicles travelling on 35th Avenue. Resident stated that several accidents have occurred at this intersection. Resident believes that a 3-way stop will prevent future accidents from occurring.

5. Request to appeal the recent installation of the “no parking this side of street” signs near 935 17th Street.

Explanation: The City of Moline recently voted to install “no parking this side of street” signs on 17th Street, between 9th and 11th Avenues. Resident would like to appeal the installation of the signs located near 935 17th Street. The requester does not have any parking available for renters who live at 935 17th Street.

6. Request to install a crosswalk/flashing warning lights at the intersection of River Drive and 41st Street.

Explanation: Pedestrians often cross River Drive at 41st Street to go to the public bike trail located along River Drive. Resident would like a cautionary flashing crosswalk at River Drive and 41st Street to inform drivers of crossing pedestrians.

7. Request to solve the line-of-sight concern on 13th Avenue, westbound, at 15th Street.

Explanation: Request to solve the line-of sight concern at 15th Street and 13th Avenue.

8. Request to remove school zone signage on 16th Street, between the 2400 and 2600 blocks.

Explanation: School zone signage is no longer needed between the 2400 and 2600 blocks of 16th Street. Request to remove “Sixteenth Street from 250 feet south of Twenty-Fourth Avenue to Twenty-sixth Avenue, east branch” from Appendix 35 of the Moline Code of Ordinances.

9. Request to add a left turn signal, westbound, at the intersection of 38th Avenue and 41st Street.

Explanation: Due to increased traffic, a resident has requested that a left turn signal is added for vehicles turning westbound onto 38th Avenue. Resident added that it is difficult to see vehicles heading southbound on 41st Street.

10. Request to reconfigure traffic patterns at Lincoln-Irving Elementary School.

Explanation: Request from the Police Department and Lincoln-Irving Elementary School to reconfigure the traffic patterns at Lincoln-Irving Elementary School.

11. Other.
