2. Request to install traffic signals at 7th Street and 16th Avenue.

Explanation: Due to several near misses, a resident has requested that traffic signals are installed at 7th Street and 16th Avenue. Pedestrians often have a difficult time crossing at this intersection. Resident believes a traffic signal will prevent a pedestrian from being hit.

3. Request to install signage or additional lane markings to inform drivers that 12th Avenue is a one lane road, eastbound, between 34th Street and 36th Street Court.

Explanation: Parked vehicles are often hit on 12th Avenue, between 34th Street and 36th Street Court. Residents living at 3532 12th Avenue and 3536 12th Avenue have requested that additional signage is installed or pavement markings are made to inform drivers that 12th Avenue has on-street parking.

4. Request to install “no parking from here to alley” signs on 12th Avenue at 1712 12th Avenue and 1718 12th Avenue.

Explanation: Resident stated that it is difficult to see while exiting the alley between 1712 12th Avenue and 1718 12th Avenue. Resident has requested that “no parking from here to alley” signs are installed to solve line-of-sight issues.

5. Request to install bike lanes on 34th Street, between 4th Avenue 23rd Avenue.

Explanation: Request was tabled from the December 2015 meeting. Traffic Committee requested that a design be created to reflect bike lanes on 34th Street. Resident requested that the City install bike lanes on 34th Street to provide a safer route for bikers traveling between River Drive and 23rd Avenue.
