1. Approval of minutes of the Traffic Engineering Committee meeting of June 7, 2016.

---

2. Request to install persons with disabilities parking space at 1881 Avenue of the Cities.

**Explanation:** Deborah Turner has requested the installation of a persons with disabilities parking space at 1881 Avenue of the Cities.

---

3. Request to install a four way stop in place of a two way stop at 25th Street & 11th Avenue B.

**Explanation:** Anna Kolander is requesting a four way stop at the intersection of 25th Street and 11th Avenue B. Many children live along St. and the resident is concerned with cars traveling along street above the speed limit usually going 40-50 mph. Resident feels installing additional stop signs at intersection will force drivers to slow down, creating a safer neighborhood.

---

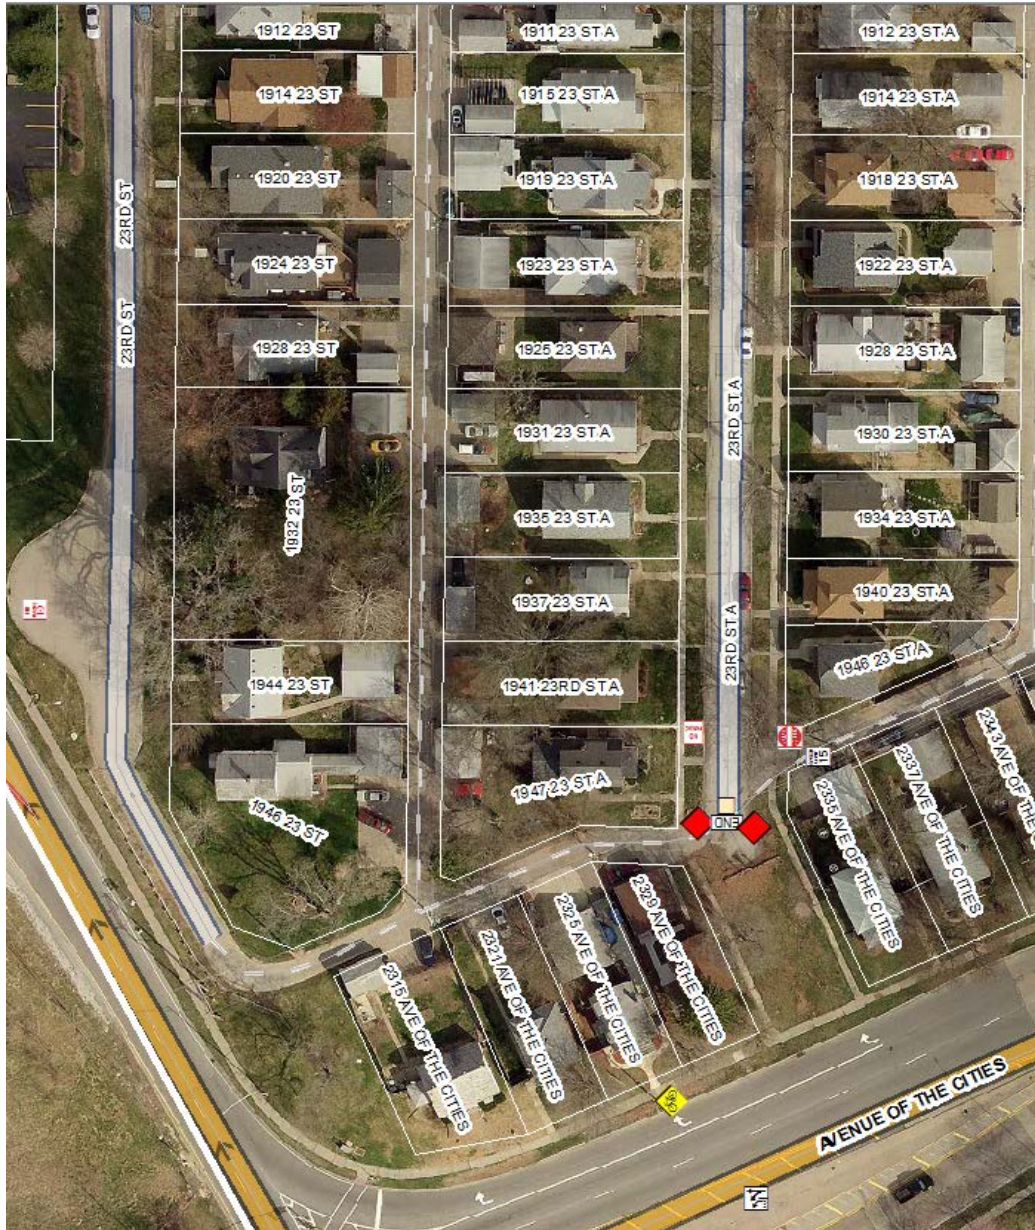

4. Request to install a speed limit sign in the alley between 19th Street and Avenue of the Cities, behind 23rd Street and 23rd Street A.

**Explanation:** Victoria Quick is requesting a speed limit sign, slow children playing sign, or speed bumps in the alley between 19th Street and Avenue of the Cities, behind 23rd Street and 23rd Street A. The resident is concerned about the safety conditions as cars frequently drive much faster than should be allowed while children are present.
