2. Request to install no parking signs from the residence of 2320 18th Street A to 2324 18th Street A.

Explanation: Sanitation is requesting that no parking signs be placed from the residence of 2320 18th Street A to 2324 18th Street A. Sanitation is having issues when turning onto 18th Street A from the alley. Trucks have to drive up on the corner of residence yards in order to make the turn when vehicles are parked in this area.

3. Request to install an additional stop sign at the intersection of 25th Street and 19th Avenue.

Explanation: Resident requests that an additional stop sign be installed at the intersection of 25th Street and 19th Avenue. This intersection is currently a two-way stop with signs placed at the east and west of the intersection. Resident requests that an additional sign be placed at the north side of this intersection in order to reduce the speed of traffic heading southbound towards Avenue of the Cities. Resident has witnessed issues with speeding and children not being able to safely cross this intersection when walking to school. Resident also stated that numerous accidents have occurred at this intersection.

Please see additional info on page 3.

4. Request to install speed bumps in the alley of 4th Avenue between 43rd and 44th Streets.

Explanation: Resident requests that speed bumps be installed in the alley of 4th Avenue between 43rd and 44th Streets. There is a local business located at the end of this alley and 4th Avenue which has created an increase in traffic. Resident stated that vehicles drive too fast while children are present.

5. Request to eliminate the two hour parking restriction on the west side of 17th Street between the river and River Drive.

Explanation: KONE Elevators & Escalators of the Quad Cities is requesting that the two hour parking on the west side of 17th St. up to River Drive be eliminated. KONE would like to have more than two hours of parking for their customers.

6. Other.

2320 18th Street A to 2324 18th Street A

19th Avenue and 25th Street.

Reports from 2010 thru 2012 show stop signs were posted for 25th Street (north/south). Of the eleven that returned in this area, two were intersection related and occurred in 2010 and 2011. These accidents occurred when the stop signs were placed north and south on 25th Street with no reported intersection related accidents sense the stop signs have been placed east and west on 19th Avenue. Furthermore, children should be crossing at the intersection of 18th Avenue and 25th Street as there is a cross guard at this intersection.

Alley at 4th Avenue between 43rd and 44th Streets.

17th Street to River Drive.
