

Traffic Engineering Committee Agenda

1:30 p.m.
December 1, 2020

This meeting will be conducted by audio or video conference without a physically present quorum of the Traffic Engineering Committee due to the disaster declaration issued by Governor Pritzker related to COVID-19 public health concerns affecting the State and the City. It has been determined that an in-person meeting at Public Works with all participants is not practical or prudent because of the disaster. Alderman, the City Administrator, City Staff and Committee Members, may not all be physically present at Public Works due to the disaster. Physical public attendance at Public Works may be limited or not feasible, so alternative arrangements for public access to the meeting have been made available.

Members of the public can participate in three ways:

1. Listen to the meeting by audio by dialing the phone number for your area shown below. The Meeting ID required is also listed below.
2. View the meeting by video, by using the web link listed below.
3. You may also send an email comment to khumphrey@moline.il.us. Emailed comments will be read during public comments. Deadline to submit comments is November 30th, 2020 at 2:30 p.m.
