1. Approval of minutes of the Traffic Engineering Committee Meeting of September 4, 2012.

-
2. **Request to install a sign at 28th Avenue and 4th Street advising that 4th Street traffic does not stop.**

Explanation: The intersection at 28th Avenue and 4th Street does not have a sign that advises persons traversing across from 28th Avenue that traffic does not stop. Intersections south do notify traffic crossing 4th Street of this.

-
3. Request to move the “Do Not Enter” sign behind 716 17th Street to the south side of the driveway.

Explanation: MidAmerican Energy is requesting that the “do not enter” sign behind 716 17th Street be moved to the south side of the driveway to allow employees to enter their parking lot from the north. It will also allow employees that want to use the drive up windows to legally approach from the north.

-
4. Request to close the alley between 4th and 5th Avenues west of 21st Street.

Explanation: Request from John Deere to close the alley between 4th and 5th Avenues west of 21st Street.
