

Federal Emergency Management Agency

Washington, D.C. 20472

April 13, 2010

The Honorable Donald Welvaert
Mayor, City of Moline
619 16th Street
Moline, IL 61265

Case No: MICS_15557V
Community: City of Moline
Community No.: 170591
Effective Date: April 06, 2010
LOMC-VALID

Dear Mayor Welvaert:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated April 05, 2010 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our Map Assistance Center, toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

A handwritten signature in cursive script that reads "Kevin C. Long".

Kevin C. Long, Acting Chief
Engineering Management Branch
Mitigation Directorate

Enclosure
